14:00 – 15:30	Session 1 –Pass GO: advancing your Horizon project at the go/no-go stage Preparing for open sea deployment involves the commitment of significant resources. In order to reduce the underlying risks, Horizon Europe calls for demonstration projects include a go/no-go decision. The related checklist determines whether or not the project should enter the demonstration stage. In this session, members who have experienced this crucial stage of Horizon Europe projects will share their best practices and answer your questions.
15:30 - 16:00	Networking Coffee Break <i>Thon Hotel EU, Rue de la Loi 75, 1040 Brussels</i>
16:00 – 18:00	Session 2 - Boost support for ocean energy at the national level National revenue support and funding are fuelling momentum for ocean energy. With 15 farms set to be installed across Europe in the next five years and major energy players entering the market, the industry is entering an exciting stage of development. Join us for an engaging workshop where we'll discuss together what national support is needed to push ocean energy further towards the commercial stage .
